Schriver (2010), Correction to “Wave and particle characteristics of earthward electron injections associated with dipolarization fronts,” *J. Geophys. Res.*, *115*, A12210, doi:10.1029/2010JA016188.

[1] For paper “Wave and particle characteristics of earthward electron injections associated with dipolarization fronts” by X. Deng et al. (*Journal of Geophysical Research*, *115*, A00225, doi:10.1029/2009JA015107, 2010) THEMIS was incorrectly defined. Throughout the paper, THEMIS should be defined as Time History of Events and Macroscale Interactions during Substorms (THEMIS).
