

**Title: Instructions for abstracts
(12pt, centered, boldface)**

Author One, Author Two, Author Three (12 pt, centered)

Full Names of Your Institution(s) and their Postal Addresses (12pt, centered, italics)
e-mail: authornn@whatever.it.is (12 pt, centered)

Please print the title of the abstract in bold. Give the full contact address of the presenting author with e-mail. Please center title, authors and addresses.

The abstract should be typed single spaced on a single sheet 8.5x11 paper or A4 paper with 1.25 inch wide margins. If possible, use Times or Times New Roman (normal 12) or a font similar to the one presented in this sample. References should be included in style [1], [2]. Separate paragraphs in your abstract by *one blank line*.

Please send your abstract no later than **January 27, 2006** either as attachment by e-mail to vlewnes@lssp-mail.gsfc.nasa.gov and david.g.sibeck@nasa.gov, using Word, pdf, or rich Text Format.
